

HOPE in Motion's Gardening and Cooking Classes

Generously Supported Through The Punch Woods Endowment Grant

The Punch Woods Endowment for Community Food Security, established by the Board of Directors of the Community Food Bank, Inc. in Tucson, Arizona on June 28, 2002, is dedicated and limited to supporting Community Food Security programs.

Community Food Security (CFS) is the state in which persons obtain a nutritionally adequate, culturally acceptable diet through local, non-emergency sources. CFS programs build strong, sustainable, local food systems that ensure access to affordable, nutritious, and culturally appropriate food to all people, at all times. This includes physical and economic access to sufficient food to meet their dietary needs for a productive and healthy life.
